Dr. Louise Jakubik has helped thousands of nurses to become certified as pediatric nurses. She is a pediatric nursing expert, speaker, and author. She is a national speaker who is a leading authority on the pediatric nursing certification review process. She is one of only 30 nurses in the world who holds the highest professional designation for professional speakers, Certified Speaking Professional (CSP). Thousands of nurses each year attend her live 2-day Pediatric Nursing Certification Review Course.
Pediatric Nursing Certification Review Course

COURSE OUTLINE:
Dr. Louise Jakubik will guide the participants through the pediatric nursing certification exam review and preparation process and will provide practical tips for studying and test taking success. This course includes test taking strategies for success and a thorough pediatric nursing content review. The course is based on the book “Pediatric Nursing Certification Review” 4th Edition (2018) co-authored by Jakubik and the exam content outlines for CPN published by the Pediatric Nursing Certification Board (PNCB) and the Pediatric Nurse Exam (RN-BC) published by the American Nurses Credentialing Center (ANCC).
