Susan Wade, MSN, RN, CPN, CCRN

Susan is dedicated to preparing pediatric nurses to sit for the CPN Exam. She is an expert in pediatric and pediatric critical care nursing, speaker, and author. Susan has dedicated most of her nursing career to pediatric and pediatric critical care nursing. She maintains an active clinical practice as a Pediatric Clinical Nurse Specialist. She is an authority on the Certified Pediatric Nurse and Pediatric CCRN Exam and review process. Susan presents 2-day review courses onsite at hospitals and at regional review courses across the country.

Louise Jakubik, PhD, RN-BC, CSP

Dr. Louise Jakubik has helped thousands of nurses become certified as pediatric nurses. She is a pediatric nursing expert, speaker, and author. Her publications include the first book ever designed to prepare pediatric nurses for the pediatric nursing certification exam, entitled "Pediatric Nursing Certification Review." She is a national speaker and a leading authority on the pediatric nursing certification review process. Over one thousand nurses each year attend her 2-day Pediatric Nursing Certification Review Course.

Pediatric Nursing Certification Review Course

COURSE OUTLINE:
Susan Wade will guide the participants through the pediatric nursing certification exam review and preparation process and will provide practical tips for studying and test taking success. This course includes test taking strategies for success and a thorough pediatric nursing content review. The course is based on the book “Pediatric Nursing Certification Review” 4th Edition (2018) co-authored by Louise Jakubik and the exam content outlines for CPN published by the Pediatric Nursing Certification Board (PNCB) and the Pediatric Nurse Exam (RN-BC) published by the American Nurses Credentialing Center (ANCC).

Contact Hours: 13
