Dr. Louise Jakubik has helped thousands of nurses become certified as pediatric nurses. She is a pediatric nursing expert, speaker, and author. Her publications include the first book ever designed to prepare pediatric nurses for the pediatric nursing certification exam, entitled “Pediatric Nursing Certification Review.” She is a national speaker and a leading authority on the pediatric nursing certification review process. Over one thousand nurses each year attend her 2-day Pediatric Nursing Certification Review Course.
Pediatric Nursing Certification Review Course

**COURSE OUTLINE:**

Dr. Louise Jakubik will guide the participants through the pediatric nursing certification exam review and preparation process and will provide practical tips for studying and test taking success. This conference includes test taking strategies for success and a thorough pediatric nursing content review. The course is based on the book “Pediatric Nursing Certification Review, 3rd Edition” co-authored by Jakubik (2014) and the exam content outlines for CPN published by the Pediatric Nursing Certification Board (PNCB) and the Pediatric Nurse Exam (RN-BC) published by the American Nurses Credentialing Center (ANCC).
