

COURSE INSTRUCTOR:

**Saralyn Gillikin, DNP, MSN,
NEA-C, RN-BC, C-EFM**

Saralynn Gillikin is an expert clinician and educator in women's health and obstetrical nursing. She is a third generation OB nurse. She has served in a variety of roles including staff nurse, educator, faculty, and administrator. Saralyn is active in the Association of Women's Health, Obstetrics, and Neonatal Nursing (AWHONN). Saralyn's passion for women's health and obstetrical nursing and the nurses who care for them translates in this course through the way she prepares participants to challenge and pass the certification exam.

Inpatient Obstetric Nursing Certification (RNC-OB) Review Course

2-day course

Day 1: Registration and Breakfast 8:30 - 9:00 a.m.
9:00 a.m. - 5:00 p.m.

Day 2: 9:00 a.m. - 5:00 p.m.

Prepare your inpatient obstetric nurses today to become certified!

The Inpatient Obstetric Nursing Certification (RNC-OB) review course is coming to The Children's Hospital of San Antonio. This program provides a comprehensive and up-to-date review of inpatient obstetric nursing based on the inpatient obstetric nursing exam content outline. Participants receive information that will not only promote certification exam success, but will also enhance clinical nursing practice.

Contact Hours: 13

About Contact Hours:

For Nurses Outside of Florida and California: Nurse Builders is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

For Florida and California Nurses: Nurse Builders is a provider approved by the California Board of Registered Nursing (provider #15118) and the Florida Board of Nursing (provider #50-9679).

At the conclusion of this course, participants should be able to:

- Review and enhance test taking skills.
- Identify content outline for the RNC-OB exam.
- Identify resources for RNC-OB exam preparation.
- Identify typical presentation of inpatient OB nursing situations.
