Dr. Amy Johnson, PhD, RNC-NIC-E is an expert educator in maternal-child nursing. Her research in improving neonatal outcomes with nursing interventions is published and has been presented nationally and internationally. In this two-day review course, Dr. Johnson provides a thorough neonatal intensive care nursing content review and practical strategies for test taking success to prepare participants for taking a neonatal nursing certification exam. Her unique style of infusing her presentations with confidence-building activities will result in participants prepared to challenge and pass the certification exam.
