Course Description
The content delivered will include an overview of the Neonatal Intensive Care Nursing Certification (RNC-NIC) published by the National Certification Corporation (NCC) and the Neonatal CCRN Exam published by the American Association of Critical Care Nurses (AACN), test taking strategies, and content review based on the exam content outlines of the RNC-NIC and Neonatal CCRN Exams. Review course workbook included. For a full selection of study aids visit NurseBuilders.net.

Objective
At the conclusion of this course, participants should be able to:
• Review and enhance test taking skills
• Identify content outline for the RNC-NIC and Neonatal CCRN exams
• Identify resources for RNC-NIC and Neonatal CCRN exam preparation
• Identify typical presentation of neonatal intensive care situations

Faculty
Pam Spivey, MSN, APRN, CCNS, RN-BC is an expert clinician and educator in neonatal nursing. She has spent the majority of her career in neonatal nursing including as a Registered Nurse, Neonatal Outreach Education Coordinator and Neonatal Clinical Nurse Specialist. Pam is active in the National Association of Neonatal Nurses (NANN) having served as Education Provider Chair Committee Chair, Director at Large, and most recently as President.
