Dr. Amy Johnson, PhD, RNC-NIC is an expert educator in maternal-child nursing while maintaining an active clinical practice in a Level III NICU as a certified nurse. Her research in improving neonatal outcomes with nursing interventions is published and has been presented nationally and internationally. In this two-day review course, Dr. Johnson provides a thorough neonatal nursing content review and practical strategies for test taking success to prepare participants for taking a neonatal nursing certification exam. Her unique style of infusing her presentations with confidence-building activities will result in participants prepared to challenge and pass the certification exam.
At the conclusion of this course, participants should be able to:

- Review and enhance test taking skills
- Identify content outline for the RNC-NIC and Neonatal CCRN exams
- Identify resources for RNC-NIC and Neonatal CCRN exam preparation
- Identify typical presentation of neonatal intensive care situations
