Pediatric Nursing Certification Review Course

Prepare your nurses today to become certified

COURSE OVERVIEW:
The Pediatric Nursing Certification (CPN & RN-BC) Review Course provides a comprehensive and up-to-date review of pediatric nursing care based on the pediatric nursing certification (CPN & RN-BC) exam content outlines. Participants receive information that will not only promote certification exam success but will also enhance clinical nursing practice.

COURSE OBJECTIVES:
• Review and discuss pediatric nursing certification exam content based on the CPN & RN-BC certification exam content outlines.
• Attain information to support and enhance pediatric nursing practice.

For more information about the faculty, course content, and course materials please go to www.nursebuilders.net

COURSE INSTRUCTOR:
Louise Jakubik, PhD, RN-BC, CSP

Dr. Louise Jakubik has helped thousands of nurses become certified as pediatric nurses. She is a pediatric nursing expert, speaker, and author. Her publications include the first book ever designed to prepare pediatric nurses for the pediatric nursing certification exam, entitled “Pediatric Nursing Certification Review.” She is a national speaker and a leading authority on the pediatric nursing certification review process. Over one thousand nurses each year attend her 2-day Pediatric Nursing Certification Review Course.

NurseBuilders has study aids to help you pass the exam!
